Accounting principles:

Bracco applies the relevant accounting principles on accrual basis with regard to all TOVs, including those connected to multi-years contracts.

VAT and other taxes

VAT and other local tax aspects are excluded from TOVs.

The TOVs are published in Euro currency. With regard to different local currency, Bracco applies the exchange rate BCE. Please see the following website: https://www.ecb.europa.eu/stats/exchange/eurofxref/html/index.en.html

Value of goods

The value disclosed for donated or free-loaned equipment is the average selling price related to the relevant year of publication according to the accounting principles above.

Each published report covers the TOVs made in the previous calendar year.

In case of contracts lasting more than one year, the reporting date of the TOV(s) is the date of the relevant invoice(s), irrespective of the date of the payment and the duration of the contract.

Each report is generally available for a period of three years from its publication.
